It's Just Lunch Washington DC

It's Just Lunch Washington DC has emerged as the most preferred dating service provider in and around Washington DC. In addition to dating service, the company also offers personalized matrimonial service that has matched thousands of men and women.

(Newswire.net -- January 9, 2015) Washington, DC -- Backed by their top rated matchmaking service, It's Just Lunch Washington DC has steadily emerged as the area's most trusted dating service provider. Since the inception of the company in 1991, It's Just Lunch has successfully organized over two million first dates and several thousands of matches. Some of the most attractive highlights of It's Just Lunch as seen at http://www.lunchdatingtips.com/, are personalized service, quality matches, guaranteed dates and privacy.

With their highly proficient team of matchmaking experts, It's Just Lunch takes frustration and disappointment out of dating. The process starts with a discreet interview with the company professionals. The company matches their clients based on information received during the interview. It's Just Lunch believes successful dating to be a process that requires fine tuning, and the company takes all feedback received from clients into consideration. While arranging dates for their clients, the company protects the confidentiality of their clients by not revealing their address, last name, phone number, email address or workplace details.

Over the years, It's Just Lunch Washington DC has received rave reviews from many of its delighted clients, such as those found at http://www.consumeraffairs.com/dating_services/just_lunch.html and https://www.youtube.com/watch?v=I4zdmqL80NE. Praising their service, one of their many satisfied clients said, "IJL made dating fun and easy by setting me up with quality individuals that shared similar interests as I did. I never imagined that I would find the perfect guy for me."

About IJL: It's Just Lunch Washington DC is a dating service that matches professionals with others who share their interests and dating goals. Unlike dating sites, IJL offers discreet and individualized matchmaking services with guaranteed dates.
