Purcell Opens a Center in Kansas City, MO

Purcell Tire and Service Center expands their Missouri facilities by opening a commercial service center in Kansas City, MO.

(Newswire.net -- February 2, 2015) Kansas City, MO -- Purcell Tire & Service Center is pleased to announce their immediate expansion into Kansas City, MO by opening a Commercial Service Center conveniently located between Missouri Routes 269 and 210. The new truck tire center's address is:

2607 N.E. Industrial Dr. in N. Kansas City, MO 64116.

Purcell Tires is recognized by Modern Tire Dealer as the nation's number one retreader of off-the-road tires. Richard Kerber will be managing the Kansas City center. His extensive experience in the OTR side of the tire business will be a great asset to the area.

"I have been in the Kansas City area for many years and understand the unique needs for fleets within this market," states Richard Kerber, manager of the Kansas City facility.

"We recognized Kansas City as being a vibrant and active commercial market, we are excited about this latest acquisition," Roger Lucas, CEO of Purcell Tire Company explains. "Kansas City is a natural expansion with other locations in the area and our truck and OTR retread plant in nearby Potosi Missouri."

The size of the facility will support a large inventory of tires to support the area with auto, light truck, commercial, industrial and off-the-road tires. For this location Purcell Tire has purchased state of the art service trucks that will be on the road providing roadside service for their customers 24/7.

Purcell Tire and Service Centers have built a reputation of trust, providing quality vehicle maintenance and fleet tire service to customers big and small. They are also known for offering an extensive selection of top tire brands for retail and commercial vehicles. They are recognized as one of the ten largest retail tire store chains and the third largest commercial dealer in the nation.
