Positive Brand Marketing and Consulting Ltd announces the launch of "Constant Touch" with "Text Triggers" service for cutting edge digital marketing.

(Newswire.net -- February 29, 2016) Perth, Scotland --Positive Brand Marketing and Consulting Ltd, an established leader in Marketing Consultancy and Digital Strategy Development, today announced the launch of "Constant Touch" with "Text Triggers", a service created to provide business owners with an automated lead generation system that drives prospects through an entire automated marketing funnel, without losing the "personal touch", leaving you with only the hottest prospects.

According to Positive Brand Marketing and Consulting Ltd Business Development Director Alan Robbie, the "Constant Touch" with "Text Triggers" service is currently available and you can test it now by texting your name and email address to 0141 280 3350.

"We are very excited to be offering our upgraded and improved "Constant Touch" service to businesses of all sizes, helping them to generate interested prospects in a truly "hands-off" manner," said Robbie. "The "Constant Touch" system is extremely powerful on it's own but when combined with the incredible "Text Triggers" element it enters a whole new level. "Text Triggers" introduce the concept of using hashtags in SMS marketing allowing you to instantly provide the information that a prospective customer is looking for. Used in all types of advertising i.e Newspaper Ads, Billboards, Tradeshows, Business Cards to name a few, it offers a lead generation system unlike anything else you have seen."
