Panache Desai and Rikka Zimmerman on Stage Together at Global Gathering

(Newswire.net -- February, 23, 2013) Los Angeles, CA --

Inspirational visionaries and lauded global leaders in consciousness Panache Desai and Rikka Zimmerman will release to the public video of their exclusive 12-12-12 Global Gathering today.

Highly regarded for bringing humanity home to knowing their innate magnificence, Rikka and Panache took the stage in a rare appearance together at the revolutionary 12-12-12 Global Gathering in Orlando, Florida last December. Participants described the event as miraculous and life-changing and now videos of the event are available at no cost to the public here: <http://panache.rikkazimmerman.com/#>

Global Gathering attendee Carina Grundel from London, England said afterwards, "The amazing day with Rikka and Panache in Orlando was so playful and fun! It truly showed me that I am, and always have been, my very own Guru. They inspired and reminded me to trust in my own knowing again and enjoy this blissful ride on this wonderful planet where the Universe always has my back."

Young, vivacious and hip, Rikka and Panache are quickly being recognized as the new modern-day leaders in spirituality and consciousness. Both highly regarded motivational speakers with international tours, Panache will be featured on an episode of Oprah's Super Soul Sunday February 24th, 11 am PT/ET on [OWN: Oprah Winfrey Network](#) and Rikka's book, *Energetic Life Makeover*, is scheduled to release June 2013.

Panache says the highest vibrational set point is self-love and acceptance, adding, "How you vibrate is what the Universe echos back to you in every moment."

The vibration of infinite love permeates all that Panache and Rikka do. They each have a unique, powerful presence that inspires and empowers audiences worldwide to transform and elevate their lives.
