**Professional Window Cleaning Has Recently Been Named "Best Window Cleaning Company" In Scottsdale, Arizona After Asking Online Window Washing Peers In An Internet Based Poll.**

(Newswire.net May 20, 2013) Scottsdale, AZ– Dave Kaminski and Professional Window Cleaning was Just Formally Awarded The Title Of Scottsdale's "Best Window Cleaning Company"

The result of a recent online opinion poll from which respondents were prompted to recognize "Best Window Cleaner in Scottsdale" yielded what some will probably point out was a very predictable final result, entrepreneur and a well known window cleaner and business professional Dave Kaminski was picked out much more than any other recognized name in Scottsdale and the surrounding areas.

The survey and eventually, the designation of "Best Window Cleaning Company" was created just after an intense debate about just whom in the Scottsdale community would genuinely be able to claim that title. In an attempt to maintain the competition fair to all residents, the contest was created online and window cleaners themselves decided upon the winner.

After creating the survey, there was a competitive competition for the title of "Best Window Cleaning Company", but after the results were tallied, there was a clear and indisputable winner of the desired title. Just after the ballot closed, Dave Kaminski from Professional Window Cleaning was announced as the recognized "Best Window Cleaning Company" for Scottsdale, Arizona.

Residents asked about the opinion poll seemed to have split responses to Professional Window Cleaning's claiming of the disputed title; varying from absolute disbelief that one person could be so well known, to complete agreement over the choice marketing and PR peers voted upon.

Mr. Kaminski was most likely recognized as "Best Window Cleaning Company" by residents in large part due to the hard work Dave has made for community because of the companie's window cleaning results and hard work ethic. As a regarded window cleaning expert that focuses on entrepreneurs community presence and promotion techniques, making claim of the formal title was not unforeseen to a sizable bulk of those individuals who took part.

After the results were in, Dave Kaminski was quoted as saying "I've worked extremely hard for many years. I always want each and every customer to feel and know that we strive to make sure each customer is 100% satisfied. I didn't even know that there was a poll going, but it's good to hear our hard work has paid off. I'm a little surprised that this many people know our business name." Dave was also overheard declaring "I put all my hard work into my business, and am truly enthusiastic about what I have going on in 2013. Hearing that people here in Scottsdale have actually acknowledged me, as "Best Window Cleaning Company" is a huge honor and a privilege. Thanks to all window cleaners and individuals that took part in the vote.

We took this even further and interviewed some of Professional Window Cleaning's customers. Dave Kaminski had a voicemail from Karen Piet, a customer from just last week. Karen said, "I just called to let you know that your guys were very professional and they did a wonderful job! I am so impressed". Karen had so much excitement in her voice over how impressed she was. She also said "My windows look amazing! Your manager Brandon was so great to work with. I could even read his handwriting on the receipt. Thank you so much, and we will definitely use your

services again. I am going to tell all my neighbors about your company."

After hearing this voicemail, I was convinced that this company really is "The Best Window Cleaning Company in Scottsdale, Arizona"
