Appliance Parts Grand Junction

(Newswire.net – June 17, 2013) Grand Junction, CO -- Country Jam VIPs can thank local Grand Junction appliance parts company owner, Dain Innis, for keeping the cookers, fryers, and grills up and running in the VIP food tent during the June 20-23, 2013 Country Jam Colorado.

(Newswire.net – June 17, 2013) Grand Junction, CO -- Dain Innis, a 3rd generation appliance repairman and owner of Double D Services appliance parts, enjoys setting up and servicing the Country Jam Grand Junction VIP food tent appliances, "Over the years, I've been fortunate to meet many of the music stars and the VIPs are ever grateful to have a freshly made meal...partying and performing at Country Jam is hungry work."

Kid Rock, Rascal Flatts, Sawyer Brown, Gary Allen, and Montgomery Gentry are among the more than twenty-two country music acts playing the Country Jam Colorado event who are sure to visit the VIP food tent over the four-day event.

Since 1992, Country Jam Grand Junction line up has hosted some of the biggest names in country music from Alabama and Alan Jackson to Taylor Swift and Tim McGraw. Country Jam Colorado has over ten thousand "Likes" on its Facebook page and draws thousands of country music fans for the annual June event. **Double D Services** has been a family owned and operated Grand Junction appliance parts company since 1985. They specialize in providing appliance parts for all major appliance brands like Whirlpool, GE, Frigidaire, Maytag, Kenmore, and Bosch. They offer a full range of new commercial and residential appliance parts, heating equipment, microwaves, refrigeration equipment, recreational vehicles and more.

It is evident why Country Jam facility coordinators choose Dain's appliance parts store to keep the VIP food tent up and running, "We have a huge inventory of new parts and if I don't have what I need at our shop I can check with our local warehouse. I can also have most non-stock parts delivered the next day. We guarantee the best prices on all parts, we can test a lot of parts at no charge so you don't buy a part that isn't necessary for your repair, we specialize in hard to find parts and we have access to discontinued parts."
