Apartments In Tucson for Rent Near University of Arizona

**Apartments in Tucson, Az – College students and urbanites alike who want to live near the University of Arizona and Down Town Tucson, now have a more convenient, stylish way to live: Customized Boutique Apartments in Tucson.**

**(Newswire.net – August 1, 2013) Tucson, AZ --** The

latest and newest 2 and 3 bedroom apartments in Tucson near University of Arizona, Cherry Park Studios complex has been fully redesigned and remodeled from the former Red Cross building located at 222 S. Cherry Avenue. Cherry Park Studios Apartments in Tucson, plans to open its doors on August 15, 2013, just in time for students seeking off-campus living options. The retro-fit industrial style apartments are only a half-mile from the University of Arizona campus.

The apartments are ideal for a short bike ride or walk to campus and down town. And as added bonus, anyone who signs a one year lease before August 15, 2013 will receive \$500 of their first month's rent!

"We are thrilled to be opening our doors and offering apartments near the University of Arizona campus which offer an alternative to the status quo," says Matt Makovic, of [Cherry Park Studios](#). "We built our boutique apartments specifically for people wanting a high quality University of Arizona / Downtown Tucson lifestyle: close to campus and down town, lots of security measures and customized warehouse style architecture. This is urban living at its best!"
