

# Kelly Junk Car Buyer Discusses Environmental Impact of Used Cars

Chris Ormiston November 01, 2013

**Kelly Junk Car Buyer discusses the problem of environmentally unsound car disposal practices. This company offers instant cash for used or junked cars and disposes of them with environmentally sound practices.**

([Newsire.net](#) -- November 1, 2013) Huntington Beach, California -- The problem of used or junk cars in landfills is a growing one. As cars become less "fixable" and owners tend to buy new cars with warranties, used cars begin to clog up landfills and leak toxins into groundwater. Kelly Junk Car Buyer is a company that helps to offset the environmental impact of used cars. Kelly Junk Car Buyer offers cash for junk cars on the spot. Buyers can get cash in hand for any types of used or junk vehicle, no matter what its condition.

Kelly Junk Car Buyer comes to the location, evaluates the car, offers a cash amount, pays this amount immediately and even tows the car away for free. As shown on the web, Kelly Junk Car Buyer offers [cash for junk cars](#) in all conditions. Even if the car does not run, has mechanical difficulties, has broken glass or torn upholstery, Kelly Junk Car Buyer will still buy [junk cars for cash](#).

This service keeps cars out of scrap yards, salvage lots and landfills. By cutting down on the number of used cars that are disposed of each year, Kelly Junk Car Buyer offers a valuable service to both the owners of these vehicles and to the rest of the planet.

Kelly Junk Car Buyer works with scrap yards, salvage dealers, used parts suppliers, auction companies and others to get car owners the highest possible price for their junked cars. When customers visit Kelly Junk Car Buyer to [sell a junk car](#), they will find a convenient online form to fill out. They can also call Kelly Junk Car Buyer at 1-877-345-3559 for a free estimate. After answering a few simple questions, customers will get a cash offer. If they accept the offer, a tow truck will come out to pick up the vehicle, the owner can sign over the title, and Kelly Junk Car Buyer will hand over the cash.

**About Kelly Junk Car Buyer:** Kelly Junk Car Buyer is an agency dedicated to giving customers top dollar for their used or junk cars, no matter what the vehicle's condition, and to preserving the planet by keeping used cars out of landfills and recycling for parts.
