(UCCC) announced the launch of their latest Facebook contest: a weekly drawing to give away £25 gift vouchers. Each week UCCC will host a Facebook fan giveaway; all new “likes” for the week will be entered into the drawing to win a gift voucher. The £25 gift voucher giveaway is just one of several contests and promotions UCCC is currently offering on its social media and website.

UCCC's £25 voucher Facebook contest is straightforward to enter: when a new fan “likes” their page, they can enter the win one of the weekly prizes. The prize draws are held on Fridays and the winner is selected at random. Vouchers are offered to a number of popular stores, including iTunes, Next, Debenhams, and Amazon. The winner of the prize draw can select which voucher they would like. The gift voucher Facebook fan giveaway is just one of the current promotions that Unipart Car Care Centre is running. Fans can also enter their Facebook contest for a chance to win an iPad Mini or other Apple gadgets. Additionally, UCCC has two ongoing contests on their website, one with a grand prize of two years free MOT testing and servicing worth up to £1200.

Unipart Car Care Centre is pleased to be able to offer drivers these exciting contests as part of their overall commitment to customer satisfaction.
