Banyan Hypnosis Center

**Cal Banyan has been offering weekly training videos streamed through his website for several years. Now, Mr. Banyan offers not only the streaming video and audio formats of these training tools but a text transcription of each session for further study.**

([Newswire.net](http://Newswire.net) -- December 18, 2013) Tustin, California -- Cal Banyan offers weekly training videos on his website, [www.CalBanyan.com](http://www.CalBanyan.com). These videos are streamed through both video and audio formats, allowing those who are interested in these weekly topics, known as "Hypno-Tuesday" lessons, to watch at their convenience. However, Mr.

Banyan recently decided that one component was missing from the weekly Hypno-Tuesday sessions: text transcripts. Accordingly, Banyan Hypnosis Center now includes a text transcription of each weekly video to make study even more meaningful.

Finding [hypnosis training](#) that is not only professional but effective can sometimes be difficult. Because there is not as much regulation in [training in hypnosis](#) as in other fields, it is important that those who want to [learn hypnosis](#) choose an instructor or program that has been proven to provide useful and realistic hypnosis training and observes all safety and professional protocols. Banyan Hypnosis Center offers a professional and safe way to learn about hypnosis and become a professional hypnotherapist who helps others using these fascinating techniques.
