Cheap Rental Cars Dubai

There are great reasons why Travelauto has the best deals on auto rentals, car hires, limos and taxi cab services. Learn more.

(Newswire.net -- December 21, 2013) Dubai, UAE -- Chandra Mouli the CEO and Founder of Travelauto brings a wealth of auto rental, auto leasing, car hire, limo services and cab hire experience to the business. His goal has been to take the pain out of the business for his customers and for the rental car providers. Pain in business means expenses. It can be from delays, confusion, misunderstandings, inconvenience and anything that takes away from the smooth operations.

There is a personal dedication and passion for excellence from [Mr. Chandra Mouli](#) and those that work for and with him. He understands that auto rental is an important part of a person's travel whether on a business trip or as a tourist. Many if not most travelers are looking for excellent customer service and low prices.

Great customer service saves money so better prices, cheaper auto rentals.

Mr. Mouli takes the position you can and must have both excellent customer service and excellent pricing. Poor customer service leads to problems for customers and providers. Problems create expenses and that drives the costs up. Excellent customer service keeps things moving smoothly and can lower expenses.

One place to shop and compare cars and pricing means the best deal available on that day.

Travelauto is a portal to shop auto rentals, car hires, auto leasing. You can compare up to the minute deals and offers from international and local [Dubai car rental](#) companies. Competition creates better prices. Deals change all the time and by having everything in one place you catch the best deal from auto rental companies including:

- Europcar
- Budget
- National
