

# Student Resource USA Offers Scholarships and Grants for Accredited Online Degree Programs

RL Imre February 06, 2014

**Student Resource USA offers hundreds of thousands of dollars each month in scholarships and grants for a variety of accredited online degree programs.**

([Newswire.net](http://www.newswire.net) -- February 6, 2014) Phoenix, Arizona -- The bets are over for Super Bowl

XLVIII. Some people found a payday; others lost their money. Though betting on a favorite team can be fun and exciting, one thing no one should ever gamble on is the quality of higher education. With new online schools popping up every day, finding a legitimate, high-quality choice can be difficult without a guide. Student Resource USA is happy to be the guide that today's professionals need.

Student Resources USA, a completely free resource for teachers and other working professionals, not only connects their clients to over \$500,000 in [student scholarships](#) and [education grants](#) each month, but also works exclusively with regionally accredited universities. They are committed to finding the right [accredited online degree programs](#) that working professionals need and then finding ways to make those programs affordable. They find the scholarships, grants, and exclusive offers that make higher education attainable. Whether students are seeking a master's degree or a doctorate, Student Resources USA will find a way to help their clients meet their goals.
