RTA Cabinet Store, an online cabinet and accessories dealer, opens their line to include flooring options such as hardwood installation.

([Newswire.net](http://www.newswire.net) -- April 3, 2014) Conshohocken, Pennsylvania -- RTA Kitchen Cabinets has been taking care of the kitchen cabinetry and accessories needs of families for quite some time now and because of their success has decided to widen their horizons to enabling families to satisfy not only their ability to fill their kitchens with classy and quality ready-to-assemble cabinets at <http://www.rtacabinetstore.com/RTA-Kitchen-Cabinet-Storage-Solutions/> but redo their floors as well. Yes, RTA Kitchen Cabinets is no longer solely kitchen cabinets online at <http://www.rtacabinetstore.com/RTA-Kitchen-Cabinets/>, but is introducing for inspection and use flooring options from bamboo flooring to laminate flooring to vinyl click and lock flooring.

These options are easy to install, easy to clean, and available at wholesale prices. Kitchen floors are just as nerve-wracking to install as kitchen cabinets, though. What if the color option chosen just does not flow with the mood of the room and home? The old RTA Kitchen Cabinets offer still stands.

For a minimal and refundable deposit, RTA Kitchen Cabinets will send potential customers sample sections of both floors and Philadelphia kitchen cabinets for sale at <http://www.rtacabinetstore.com/sample-doors> so that families will know for sure that what they are getting is exactly what they desire and can be proud of showing off for countless Thanksgivings and Christmases to come. The kitchen is the most important room in the home, so it makes sense that a good deal of thought should go into its design. And, though that often equals a high price tag, RTA Kitchen Cabinets is able to provide families with wholesale prices, so that their dream kitchens can become a reality and stay within budget. Working with this online kitchen cabinet, flooring, and accessories provider is a win-win for both supplier and demander. That is a quality few companies are able to claim.

About RTA Cabinet Store: Located near Philadelphia, RTA Cabinet Store is a leading provider of do-it-yourself cabinets for homeowners who want to save money on quality cabinetry.
