Locating a reliable source of high quality hotel furniture suitable for motel accommodation is easier with the help of furnishing specialists, Nextrend Furniture.

(Newswire.net -- April 29, 2014) Brisbane, QLD -- Many motel owners face the challenge of sourcing good quality furniture suitable for accommodation purposes. Without the assistance of a hospitality furnishing specialist, many owners may find it necessary to purchase different items from a number of sources.

This is where the specialist team at Nextrend Furniture comes in. Nextrend's furniture specialists understand the individual needs of the hospitality industry, supplying the best quality accommodation packages designed to make purchasing hotel furniture a seamless process from start to finish.

Their diverse range of furniture available allows motel owners to select total room packages that cater to their guests' specific needs. It is possible to tailor a room package that may include a bed head and bedside tables, along with chairs, lamps, stools, tables, dining chairs, and even tea units.

In an effort to ensure that the furnishing needs of the hospitality industry are well catered for in every instance, Nextrend Furniture is also able to supply furniture to fit-out the lobby and reception area of any hotel or motel, including armchairs and lounges to create a welcoming ambience in any establishment.

As Nextrend carry an extensive stockholding in their warehouse at all times, order fulfilment is always prompt ensuring minimal disruption to business. Furniture can be delivered in flat pack configuration for assembly at a later point, or delivered pre-assembled for speed and convenience.

The philosophy behind the successful furniture supplier's success is working with each customer to make purchasing hotel furniture quick, easy, and effective at all times. The team at Nextrend furniture are always happy to assist with suggestions and recommendations for any selections on motel or hotel furniture, whether for initial fit-out purposes or for refurbishment needs.
