**The summer months are fast approaching. It will be time to hit up the pool and soak up some sun. Nothing ushers in the sunshine like a new pair of shades. Do not settle for exorbitant retailer prices.**

([Newswire.net](http://www.newswire.net) -- May 10, 2014) Phoenix, Arizona --It is possible to wear the hottest brands at some low prices.

Simply Sunglasses, a hip online sunglass hub, offers authentic name brand sunglasses at affordable prices. They can do this because they do not fuss with a middle man, preferring instead to work directly with the designers. This ensures the price their customers pay is the lowest one possible.

They are proud to offer all sorts of well-known designers.

Simply Sunglasses Ray Ban sunglasses (<http://www.simplysunglasses.com/ray-ban.html>) are easy on the eyes, literally and figuratively. Designed specifically by Bausch & Lomb to prevent sun-related nausea, these are the shades one would want to have for those long days out on the lake. Their durable plastic frames are reassuring for playtime but still manage to look chic.

Gucci sunglasses (<http://www.simplysunglasses.com/gucci-sunglasses.html>) have made their own mark on Simply Sunglasses. Everybody who is anybody has heard of and drooled over Gucci. Since 1938, the Gucci design has been rocking the fashion scene. Purchasing a pair of these sunglasses offers an in into a fashion dynasty. They are not to be played with roughly, but they complete the look of any season's outfit.

Simply Sunglasses is currently most proud of introducing new options in Prada sunglasses (<http://www.simplysunglasses.com/prada.html>). Born in 1913, Prada is even more vintage than Gucci. Mixing the original Italian leather goods with a modern creative chic, this sunglass line by the family run business is guaranteed to earn double takes.

Simply Sunglasses guarantees that every single one of their pairs of sunglasses is authentic. Furthermore, they cater to their hometown and international friends both by shipping worldwide.
