Forskolin To Lose Belly Fat

For anyone who would like to lose belly fat, Vytalize is starting a July 4th Independence Day Sale of its Forskolin supplement

(Newswire.net -- July 2, 2014) Atlanta, GA -- Vytalize is announcing a very limited-time July 4th sale. The Independence Day sale will start at 12:01 AM on July 1st, 2014 and end at midnight on July 5th, 2014. This special annual Independence Day sale is the first of its kind and customers interested in losing belly fat and losing stubborn fat won't be disappointed with the deal they get on Forskolin, the hottest weight loss supplement on the market.

Both new and old customers of Vytalize will be presently surprised to find that with this July 4th coupon, they are getting a discount on the regular retail price that amounts to about 75% off. In addition to our current sale price, customers who use the coupon code during checkout at amazon.com get an additional \$8.77 OFF. The coupon code is JUL4TH14

One of Vytalize's past customers when informed of the July 4th sale had this reaction - "Anyone who wants to lose belly fat would be crazy not to just on this deal. That price for a bottle of Forskolin from these guys is so low, it's a no-brainer"

Mark Garcera of Vytalize added "Forskolin is the newest addition to our growing line of supplements and we couldn't think of a better promotion coinciding with the Independence Day celebration. [This deep discount will allow customers who want to lose belly fat](#) an outstanding opportunity to experience the benefits of this amazing product"
