

# The Wire Nut and Airflow Pros Announce Merger

Trent Urban August 15, 2014

**The Wire Nut and Airflow Pros, providing electrical and air conditioning / heating services to the Colorado Springs and Denver area independently, have now merged to become one company.**

([Newswire.net](http://Newswire.net) -- August 13, 2014) Colorado Springs, Colorado -- Colorado Springs electrical company, The Wire Nut, and HVAC company, Airflow Pros have recently merged, bringing Colorado Springs the best electric and heating and cooling

services from a single enterprise. This merger will benefit the Colorado Springs area as both The Wire Nut and Airflow Pros are well-known for exceeding the expectations of their customers.

The Wire Nut is a locally owned electrical company specializing in installation and repair. Owned and operated by Trent Urban since 2010, The Wire Nut has generated exponential growth over the past four years. Over the last 3 years, The Wire Nut has experienced nearly 300% growth and has received distinguished recognition twice by INC 5000 for its rapid rate of growth. The Wire Nut is a reputable source for fast and thorough electrical services. They provide high quality residential services including installation of electrical circuits, fuses and electrical panels, breakers, outlets, switches and more. They always arrive fully prepared are ready to complete the job.

Airflow Pros, nearing its second anniversary in business, has also experienced growth as they have built a reputation of trust and reliability within the Colorado Springs community. In unpredictable and at times extreme weather conditions through the Colorado seasons, Airflow Pros has been able to prepare homes for the extreme cold and dry heat through offering the most up-to-date, high-tech, and efficient HVAC systems and products available. Services provided include [air conditioning](#) sales, tune-ups, furnace tune-ups, repair and replacement, duct cleaning, and air cleaners. Colorado Springs residents are more than pleased with the quality of service given by Airflow Pros. In online reviews, customers are highly satisfied with the climate systems installed and the excellent customer service experienced.

With the unification of Airflow Pros and The Wire Nut, their histories of service and reliability are fused into a single source from which Colorado Springs can find the most reliable electricians and furnace specialists. The Wire Nut takes great pride in providing fast service to keep Colorado Springs residents comfortable. The Wire Nut backs up their certified electricians and technicians with a 100% satisfaction guarantee. For same day service, they have a "There Today or You Don't Pay" guarantee. Emergency service is always available at any hour of the day. The Wire Nut strives to provide convenient service and works around the customers schedule for arrival times. When the technician arrives, the van is stocked with over 15,000 parts to meet the customers [electrical](#), [heating](#), or [air conditioning](#) needs. A thorough, timely, and courteous experience can always be expected.
