**Global Heath Ideas (GHI) now has its own brand of Pure Yacon Syrup which is made from Yacon root to help people lose weight.**

([Newswire.net](http://Newswire.net) -- December 5, 2014) Gilbert, AZ -- Yacon Syrup was recently featured on the Dr.Oz show after a study was conducted to observe the results. Out of the 40 participants 70 percent of them lost weight due to Yacon Syrup. Global Heath Ideas (GHI) now has its own brand of Pure Yacon Syrup which is made from Yacon root to help people lose weight.

GHI Pure Yacon Syrup is FDA approved and vegan friendly. It is high in prebiotics and probiotics which help to boost the body's metabolism and increase the number of healthy digestive bacteria the colon while reducing harmful bacteria.

Global Health Ideas state that their Yacon Syrup "offers extraordinary benefits as a natural weight loss aid and sweetener and has the ability to strengthen the immune system and regulate blood sugar levels."

Yacon Syrup has been receiving great reviews on Amazon and has a five star rating. "Love the yacon syrup from GHI. Losing inches and feeling great! My wife and I use it instead of molasses in recipes. Thanks for another outstanding product." "I was excited for a product that curbs appetite and my sugar cravings. I add it to my morning tea and so far I have felt a curb in my appetite and a lesser craving for sugars...working great for me!" These are just some of the reviews left by customers after using the GHI Yacon Syrup.

Yacon Syrup by Global Health Ideas is available on Amazon to all online shoppers and comes with a 100 percent money back guarantee.
