St. George, UT- CargoGlide is getting ready for Fastenal's 2015 CUSTOMER Industrial & Construction Expo in Nashville, TN.

(Newswire.net -- March 26, 2015) St. George, Utah -- CargoGlide, a truck slide out bed manufacturing company, is preparing for [Fastenal's 2015 CUSTOMER Industrial & Construction Expo](#) in Nashville, TN. The Expo will be hosted in GAYLORD OPRYLAND Resort & Convention Center on April 7, 8 and 9, 2015.

Fastenal is North America's largest fastener distributor to the world's most efficient supplier of OEM (Original Equipment Manufacturer), MRO (Maintenance, Repair and Overhaul), and construction products. Today the company operates nearly 2,700 stores spanning all 50 states and 20-plus nations.

[Fastenal's 2015 CUSTOMER Industrial & Construction Expo](#) is exclusive to top corporations and companies, with whom Fastenal does business. [CargoGlide](#) is one of the companies who received a private invitation to participate in the expo.

CargoGlide is an exclusive vendor for truck slide out bed manufacturing for Fastenal's customer base.

CargoGlide is planning to bring a 20x20 foot booth that looks like a 1950th garage with steel beams that catch people's eyes. This booth will be similar to the booth CargoGlide had at SEMA with a few items added to the display.

According to Brad Harrell, Principle and CEO of CargoGlide, "the company is planning lots of activities at the [Fastenal Expo](#). One of the highlights is the giveaways they are planning to have three times a day for Expo participants."

Brad Harrell also mentioned, "We bring real models to all expos and shows. We don't substitute parts with plastic. We want people to see, feel and touch real, full size slides that have been made here, in the United States."

At the present moment CargoGlide is going through re-branding. In the nearest future customers will be able to see brand new truck slide out models with new components, including bearings. There is one old model that will remain untouched.

The website and all marketing materials are going through re-branding as well. Soon all major retailers will get new information about CargoGlide and its products.

This year CargoGlide is planning to participate in 15 other shows and expos all over the country that will be open to the general public.
