American Heritage Carpet Cleaning has expanded its efforts recently by opening a location in Olathe, Kansas and launching a new website.

([Newswire.net](#) -- May 21, 2015) Olathe, KS --The new location in Olathe located at 531 North Lindenwood Drive will serve the Kansas City Metro and Overland Park areas. This is the second location for American Heritage; the first is located near Springfield, Mo.

According to the company's website, they focus on customer satisfaction and quality service. "Our team is dedicated to clean, and that means we will not leave until the job is done." Available days, nights, and weekends, when a customer calls in for a service request, a team is dispatched to either the home or business.

American Heritage can be scheduled for both residential and commercial carpet cleaning, and also provides services for hardwood and tile and grout. They also specialize in pet odor and stain removal while using environmentally friendly cleaning solutions that is safe for both young children and pets. These cleaning solutions are both biodegradable and phosphate free, and have received the Carpet and Rug Institute seal of approval.

With a focus on quality service, [American Heritage](#) provides additional services such as upholstery cleaning, cleaning area and oriental rugs, plugging and re-stretching of carpet, and soil stop protection. They will also pre-vacuum and move small furniture out of the way while they clean carpets. American Heritage received a top rating from the Carpet and Rug Institute for soil removal.

The newly revamped website now includes information about the company, types of services available, and current specials. Customers will find a more user-friendly site filled with before and after photos and a Frequently Asked Questions section for any further questions. According to the company's website, current specials for the Kansas City Metro area include three rooms of carpet cleaned for \$55 with a free sanitizer, or the whole house which includes 5 rooms and a hallway for \$75.
