Philadelphia-based RTA Cabinet Store has added a new West Point Grey cabinet line to its current inventory.

([Newswire.net](http://www.newswire.net) -- July 29, 2015) Conshohocken, PA --RTA Cabinet Store, a leading online supplier of ready-to-assemble cabinets in the Philadelphia area, has now added a new West Point Grey cabinet line to its product inventory. This stylish line of cabinets features the same quality and convenience of other cabinet lines with the added enhancement of a smoky grey finish that lends sophistication to any kitchen.

As seen at <http://www.rtacabinetstore.com/RTA-Kitchen-Cabinets/stone-grey-shaker-kitchen-cabinets/>, these cabinets feature a solid birch frame with MDF center panels and glue and staple or metal clip assembly. With full overlay doors and drawers, dovetail drawer assembly, under-mount full extension soft close drawer glides, concealed European-style hinges, a UV-coated natural interior, half-inch plywood box with painted exterior and metal clip lock assemblies, these cabinets are as durable and beautiful as any sold by custom cabinet makers. Standard wall, base, refrigerator and other sizes are available as well as custom configurations upon request.

RTA Cabinets offers do-it-yourself savings for those who want to flip houses, upgrade their own residences or find an affordable way to put new cabinets into any home. Available in a number of styles and configurations, these cabinets can also be customized to fit any space. For more information, see the company website.
