

US Parents Speak Out About Heat Relief Automobile Accessory For Kids

Angela Jones September 09, 2015

Car Seat Sun Shade

A brand-new developed car seat protector is becoming a trending topic for many parents in the United States, ever since it went on sale on Amazon. The auto device has been specifically designed...

(Newswire.net -- September 9, 2015) Las Vegas, LAS VEGAS -- The seat protector in question was produced by youngsters' accessory producers, Freddie & Sebbie. The design of this item is not just aimed at keeping the seating area of the chair cool, but the buckles and additional parts too. According to Neil Speight, business spokesperson, this

seat protector has tons of advantages such as a universal design made to fit practically any kind of car seat, the use of high quality material, and the ability to minimize the temperature level of the seat by 26 ° F, among others.

On Amazon this item has actually received primarily favorable reviews, with an overall rating of 4.4/ 5 stars, and it is obvious that the consumers' feedback reflect the producing business's description. 'The most useful positive review on the Amazon Marketplace stated that the customer had actually bought one soon after his other half did, and praised this product for its ability to protect his baby from the blistering heat.

Another user offered it 5 stars, specifying that the seat protector even secures her kids throughout the **scorching Arizona sun**, which can get up to 110 ° F. Furthermore, she praises this light-weight item for its ability to fit firmly around any type of car seat, and for that it has a non-reflective side facing the front car seat.

Other users go on to praise the adaptability of this item, and more than one of these users purchased an additional one for another relative to put in their automobile. One user even went so far as to use it on her convertible car seats, and was happy to see that it fit completely and safeguarded it from the sun's rays. It would seem like users additionally liked that it included a pouch for simple storage that will not take up a great deal of space, and that will specifically come in helpful in a pack-up-and-go situation.

Neil additionally said at the end of the press conference: "We are pleased with the knowledge that 100s of children throughout the United States have been protected from hot safety seats this summer season, and hope the number remains to rise. Our car seat sunshade has been specifically created to handle this major concern for moms and dads, and we want to thank them for supplying us with so many helpful car seat sunshade evaluations on our special Amazon Marketplace store."
