Sunscreen

Many people spend more time in the sun once the spring and summer season arrives with warmer weather that can be enjoyed outdoors.

(Newswire.net -- June 6, 2016) -- Many people spend more time in the sun once the spring and summer season arrives with warmer weather that can be enjoyed outdoors. Although it may be fun to take a dip in the pool or attend a baseball game, your skin can suffer from damage due to excessive sun exposure. To protect your skin without clogging your pores, here are a few sunscreens to use for those who suffer from oily skin.

## 1. Clinique Super City Block Oil-Free Daily Face Protector

Clinique is known for offering a variety of oil-free products and sells an effective sunscreen that doesn't feel heavy after it's applied. The face protector can be used each day without suffering from breakouts due to unnecessary chemicals or toxins that are used. The product blends easily and even contains citrus extracts for a scent that is pleasant to smell throughout the day. It even contains moisturizing ingredients, which makes it easy to avoid dry skin when spending time outdoors.

## 2. Moisture White Sunblock – The Body Shop

Moisture White Sunblock protects the skin from harmful UVA and UVB rays while also softening the skin once it's applied. It even prevents uneven pigmentation from occurring with time spent outdoors. The oil-free product is easy to apply and blends easily while feeling lightweight on the skin.

## 3. Cetaphil Daylong Light Gel – SPF 50 PA++++

Cetaphil is known as a brand that helps to improve the condition of the skin and prevent breakouts or skin damage. This product prevents UVA and UVB rays from having contact with the skin to reduce the risk of getting a sunburn when spending several hours outdoors. The product is ideal for oily skin and doesn't leave a greasy residue with gel that includes vitamin E.

## 4. Neutrogena Ultra Sheer Dry Touch Sunblock SPF 50+ PA+++

This dry touch sunblock features oil-control properties that allow the skin to look clean and beautiful throughout the day. It's easy to apply underneath makeup and allows the pores to breathe due to its lightweight texture. The product is also waterproof, which will make it easy to apply once during the day without reapplying it when you sweat or swim in the pool. The matte effect post application also improves the appearance of the skin and limits the amount of oil that develops throughout the day.

## 5. Kiehl's Super Fluid UV Defense SPF 50+

Those who want skin protection that won't cause breakouts or cause their makeup to run can use Kiehl's Super Fluid UV Defense, which is known for its pleasant smell and lightweight texture. The product contains vitamin E, which prevents free radical damage that can occur with sun exposure. The vitamin E also prevents wrinkles from developing and won't leave a greasy residue that can lead to breakouts.

## 6. Vichy Capital Soleil SPF 50

According to [makeup.com](http://makeup.com), Vichy Capital Soleil is a sheer sunscreen that contains oil-free ingredients and is also water-resistant to ensure that it doesn't need to be reapplied every few hours. It also won't leave a white residue on your skin, which makes it easy to apply for a transparent finish that has a matte application. The product is easy to apply under your makeup and is ideal for daily use.

## 7. L'Oréal Paris Advanced Suncare Silky Sheer Face Lotion 50+

This sunscreen is infused with antioxidants to improve the skin's condition and will allow it to look healthy with its sheer

texture. The clean and fresh finish is perfect for those who suffer from oily skin to ensure that the face maintains a matte complexion throughout the day.
