([Newswire.net](#) -- February 23, 2017) Detroit, Michigan -- Arriving at the game in style, comfort, and on time is possible with Dream Limousine Professional Limo Service. Take the worry out of finding parking, and the stress of dealing with traffic out of the day, and just focus on the game. Dream Limousine maintains the highest level of customer service and guarantees on-time arrival for game day.

## Always Arrive on Time at the Game with Dream Limousines Professional Limo Service

Dream Limousine is one of the leading limo services in the Detroit area. They offer a wide array of packages all featuring vehicles with the highest possible safety rating. No matter which event transportation is needed for, wedding, prom, homecoming, birthday, concert, theater, or the big game, Dream Limousine will make sure guests arrive safely and on time.

### Limo Services for Any Event

Dream Limousines has been providing the Southeast Michigan area with the finest limo rental services since 2005. They are available to help provide luxurious rides to weddings, proms, anniversaries, bachelor and bachelorette celebrations, and all sporting event games. Limo services for these events can be rented by the hour in one of four different vehicle types.

### Limo Services Provided in Four Different Luxurious Styles

The Dream Limousine fleet includes party buses, stretch SUVs, Stretch Sedans, and Sedans. All of them offer incredibly comfortable rides with outstanding amenities and unique interiors.

- Party Buses- Party buses will hold up to 25 passengers and are designed with state-of-the-art smart touch systems. There is a USB hookup so passengers can sync their favorite music for the ride with interiors of hardwood floors and leather seating. These beautiful buses display a wonderful light and laser show to accompany music played through a custom sound system.
- Stretch SUVs- The Cadillac Escalade holds up to 20 passengers and is one of the most popular limo rentals. There are two flat screen TVs with two bar sections, and they feature an incredible light show. Interior seating wraps around the limo with a 5th door entry for added comfort of passengers.
- Stretch Sedans- the Stretch Sedans have such refined luxury; they will turn heads when arriving at their destination. They are able to seat ten passengers and feature LED mood lighting along with a disco floor. These vehicles are imported from Detroit and are some of the most meticulous limos manufactured.
- Sedans- the Lincoln Sedan is a great limo and standard for luxury and corporate transportation. These limos feature an extended bar in the rear with passenger control for lights and sound. The leather seats are heated for added comfort, and they hold from 2 to 4 passengers.
