Creative Yearbooks

Due to high demand, Creative Yearbooks out of Orange County has expanded their yearbook services to include all school models, from preschool through high school and everything in between.

([Newswire.net](http://www.newswire.net) -- January 11, 2014) Huntington Beach, California -- Creative Yearbooks, the [yearbook publishing company](#) serving the most schools in southern California, has announced that they have expanded their yearbook printing and design services to meet the needs of a growing variety of school models. They have set themselves apart from other yearbook publishers with the ability to serve everything from a small charter school to high schools that number in the thousands.

Another factor that sets Creative Yearbooks apart is their wide array of [yearbook printing](#) design ideas. Their cutting edge web browser-based design tool, Pictavo, is easy to use and has templates that are stylish and appropriate whether designing elementary school yearbooks, middle school yearbooks, or [high school yearbooks](#). It is accessible from any computer, eliminating the need for slow running software and allowing school yearbook committees to design with ease.

Creative Yearbooks are the affordable choice for any school, regardless of size or age group. Visit their site for design ideas, information on their one due date policy, and to watch a video

of the Pictavo program in action.
