Adding to its current showroom in Chandler, AZ, Sunset Spas of Arizona has announced the opening of a new hot tub showroom in Glendale. Conveniently located on the NE corner of Bell Rd. and 75th Avenue next door to Starbucks.

(Newswire.net -- January 31, 2014) Glendale, Arizona --

Adding to its current showroom in Chandler, AZ, Sunset Spas of Arizona has announced the opening of a new hot tub showroom in Glendale.

Sunset Spas of Arizona, a leading supplier of hot tubs and spas in the Phoenix area, has opened a new showroom in Glendale. Providing local customers with access to high quality spa products, the Glendale hot tub showroom features the same quality items and one-on-one customer service. Pre-owned, factory new, and specially priced items are available now.

In addition to complete spa systems, the company sells spa covers, steps, lifts, surrounding accessories, and outdoor barbecues. Hot tubs in Glendale are now easy to find. Customers also receive top-notch delivery, setup, and removal services. Spa chemicals and education on caring for a hot tub or spa are also provided.

Units from leading manufacturers are now available to Glendale AZ spa customers. The company carries hot tubs and spas from Elite Spas, MAAX Spas, California Cooperage, and more. Superior models are in stock now and customers can also upgrade by trading in their old units. Used spas are resold by the company and refurbished to great condition.

With the new showroom, customers on the West side of the Phoenix area can obtain ideas, receive great service, and get spas Glendale homeowners have dreamed of for years. They also have access to the same great deals on hot tubs, Jacuzzis, swim spas, and even backyard barbecues. Savings are available on a regular basis, especially on pre-owned units.

Glendale spa accessories include the same functional add-ons customers have benefited from for years. These include spa cover removal systems, side enhancements to create unique backyard environments, and hot tub steps. Water care and maintenance products such as natural enzymes, minerals, and plant extracts are also available. In addition, Glendale hot tub owners can purchase spa entertainment systems and BBQ Islands.

At the new Glendale spa showroom, customers can select from the various installation and design ideas provided by the company. Family owned by Dave and Nicole Rempfer, Sunset Spas of Arizona has provided customers with many years of personalized service, and has operated in the state for the past eight years.
