

Upscale Condominium Unit Now Available In Talis Park Naples Florida

Lloyd Denny February 19, 2014

Talis Park Condos For Sale

This spacious condominium in the luxurious Talis Park community is so elegant and sprawling that it feels like an estate home without the responsibility of maintenance that property ownership brings.

(Newswire.net -- February 19, 2014) Naples, Florida -- Now available for private showings through The Cabral Group of Naples Luxury Golf Real Estate, this three bedroom attached villa is located at 16653 Toscana Circle, Unit 703, and boasts more than 3,150 square feet of air conditioned living area, a private saltwater pool and spa,

and breathtaking waterfront views which overlook Talis Park's signature Venetian-style canal. In addition to the numerous bedrooms within, this condo also boasts four-and-a-half bathrooms and its own attached two-car garage.

As a former model unit for this [Talis Park condo community](#), the builders and decorators of this residence spared no expense when designing the luxurious amenities found throughout the property. From the open kitchen's top-of-the-line stainless steel appliances and granite-topped island to the dual sinks and jetted tub present in the master bathroom, no detail was neglected when ensuring this condominium meets even the fastidious standards of the most discerning homebuyer.

The living room in this residence was architecturally designed with an elevated tray ceiling, mirrored wall and direct access to the outdoor patio providing unmatched views from nearly any room in the property. The flooring in the condo's common areas consists of the highest quality tile, while the bedrooms are lined with soft, yet durable posh carpet.

This multi-story unit features the pool, spa and sunning areas on the lower level's rear, while the upper level boasts an open private balcony with panoramic views of the water and beyond. The condo's outside also offers an outdoor kitchen with a built-in grill and wet bar.

All of the Talis Park condos for sale in this community provide access to the neighborhood's central piazza and great lawn which are ideal for a peaceful morning stroll or a romantic evening picnic. The masterfully crafted clubhouse is currently under construction, and the adjacent Vyne House is home to numerous dining opportunities, retail shops and a spa which provides the utmost in relaxing treatments.

Naples is much more than just a residential paradise. The city is filled with amenities which provide one of the most upscale and exclusive settings in all of Florida. Situated on the Gulf of Mexico, the area's palm tree-lined coastline is one of the most beautiful anywhere. From the high-end shopping and dining experiences offered in Old Naples, to the region's hundreds of masterfully designed golf courses, there is truly something for everyone.
