Everything's bigger and better in Texas and your bank account can be too. Self-made Aussie multi-millionaire entrepreneur, **Pat Mesiti**, is coming to San Antonio Texas on **March 14 and 15** with the key to wealth creation.

The Wealth Accelerator Summit at the JW Marriott is a two-day seminar with the world's leading wealth accelerators including Mesiti. Texans will gain valuable wealth insight from Mesiti who has already shared the stage with **Donald Trump, Sir Richard Branson, Dr. John Demartini** and **Zig Ziglar** and shown hundreds of thousands of people how to change their mindset, touch their heart and increase their wealth.

Speakers at Wealth Accelerator Summit will include:

Pat Mesiti - Entrepreneur, International Best selling Author, Mindset Expert An expert in the field of inspiration and creating a Millionaire Mindset. He specializes in business development, executive mentoring, international speaking, self-development, relationships and accelerated mental and emotional transformation.

Kevin Harrington - Chairman of As Seen on TV Inc. & The Original Shark on ABC's Shark Tank. Kevin founded Quantum International, Ltd. in the mid 1980s, which merged into National Media Corporation in 1991. This company's success has been chronicled in a case study at Harvard/MIT for over a decade. Kevin helped to establish two of the most recognized global networking associations: the Entrepreneur's Organization and Electronic Retailing Association.

Pastor Rick Godwin - International Speaker & Leadership Expert Rick Godwin is the Founder and Senior Pastor of Summit Christian Centre in San Antonio, Texas, a contemporary, multi-cultural congregation.

Garrett Gunderson - Entrepreneur & New York Times Best Selling Author He is now the founder, partner or executive of several successful companies including Engenuity Financial, Producer Power Hour, Freedom FastTrack, and the Accredited Network.

Joel Comm – Entrepreneur, NY Times bestselling author, and new media innovator . An expert on harnessing the power of the web, publishing, social media and mobile applications to expand your brand's reach and engage in active

relationship marketing, Joel is a sought-after public speaker who leaves his audience inspired, entertained, and armed with strategic tools to create a new media campaign that will explode their business.

Andre Knott– USA Property Investor & Educator André has a passion and drive to achieve financial success. André's introduction to property investment came in his mid-20's, after having found himself broke, since then he has been able to build a massive \$5.8 million portfolio in the last decade, having now personally invested in 42 properties.

George Fokas– Global Stock Market Investor & Educator George Fokas went from working 40 - 50 hours a week in a JOB to a self-made Wealth Creator at the age of 28. He is generating income from the stock market allocating no more than 60 minutes a month all thanks to his actions to learn what others won't, to have what others want.

"There is nothing more empowering for an individual, than choosing to create wealth by design – not by chance." says Mesiti who is committed to helping raise 10,000 millionaires in his life time.

"I see too many people searching for a solution rather than deciding to change their direction, long-term."

Texans will have the opportunity to tap into the mind of the man who has written nine best- selling books including "*The \$1 Million Reason to Change Your Mind*" and watch their own bank accounts grow as they take up Mesiti's challenge.

Mesiti is also the founder of the Millionaire Mindset Club and the Belong, Believe, Become mantra where abundance isn't a dream, it is a result. He believes millionaires are created from the inside out and that is where the work begins to achieve financial results.

Delegates in Antonio will have direct access to Mesiti and his proven methods and strategies for wealth creation.

Visit Mesiti's website to register for the San Antonio workshop now which is absolutely **free** to attend.
