Nationwide Pools

Nationwide Pools offers creative financing options so that more homeowners than ever can enjoy their very own pools.

([Newswire.net](#) -- March 10, 2014) Scottsdale, Arizona -- The recent snowstorms and plunging temperatures have more people than ever dreaming of sunny summer days, lounging by their sparkling [above ground pool](#). Nationwide Pools out of Lynchburg, VA, reminds customers that the time is now to begin the pool buying process so that their

future pool will be swim ready when the weather breaks. They have a variety of new, creative financing options available to meet the needs of every family, regardless of credit score.

These icy winter months are the perfect time to begin the financing process for [above ground pools](#). While many don't even think about buying a pool until the warm weather returns, taking advantage of the financing options now will instead have that pool ready to go when the sun makes its comeback. Tammy Coleman, of Nationwide Pools says, "We would love to help get families swimming in their own backyard, before the summer of 2014."

Nationwide Pools is the largest dealer of [above ground pool covers](#), pool liners, and pool supplies. For more information about Nationwide Pools, visit <https://www.nationwidepools.com> or call 800-986-0748-800-986-0748.

About Nationwide Pools: NationwidePools.com is the biggest single location dealer of above ground pool dealers in the Nation, allowing them to pass on great factory-direct savings to all of their customers. Since 1994, they've been serving the above ground swimming pool industry. Nationwide Pools' mission is to provide high quality products at the lowest prices available on the Internet and the best customer service during all stages of the sale. They love the opportunity to show customers how affordable and easy it is to attain their dream of having their very own above ground pool.
