Lighting Pros 360 of Catskill, NY has expanded their manufacturer list to include even more prestigious brands and designer products. From floor lamps, to home furnishings, to outdoor landscape lighting, Lighting Pros 360 now offers an unbeatable selection to satisfy any aesthetic trade.

Major brands like Hinkley, Kichler, and Quoizel lighting help set quality standards at Lighting Pros 360. And with the addition of renowned manufacturers like Hudson Valley, Corbett, and Currey and Company, Lighting Pros 360 hopes to be the ultimate resource for consumers and designers alike.

Lighting Pros 360 has an expansive online showroom with searchable categories, professional tips, and inventory for the modern, the traditional, and everything in between. For a complete manufacturer list, see the [blog here](#).

As consumers and designers develop more diverse and eclectic interests, Lighting Pros 360 continues to match the need for variety by bringing in new brands and adding industry lighting product leaders. In addition to their online website, Lighting Pros 360 has a showroom in Catskill, NY. For directions, maps, and info, [click here](#).

To contact an accredited lighting designer at Lighting Pros 360, call 1-800-991-0284, or the showroom directly at 518-943-2222.
