Medical weight loss clinic in Overland Park Kansas achieves record growth In 2014 helping people shed those unwanted pounds. Pierce medical clinic also serves residents in Kansas city, Missouri.

([Newswire.net](#) -- September 4, 2014) Overland Park , KS -- Pierce Medical Clinic is an industry leader in alternative health care. With over 33 years of extensive industry experience, the clinic has helped countless individuals meet their weight loss goals and aspirations.

As one of the reputable weight loss clinics in KS, they have also achieved record growth this year. This is due to their exceptional care, which has received stellar reviews from patients and critics alike. With state of the art technology and programs, the clinic is simply committed to excellence across the board. From medically supervised weight loss to esthetic care, patients are guaranteed the highest quality of services from leading providers.

Another factor that has contributed to the clinic's growth is their professionalism. In fact, the staff personalizes each treatment program to ensure timely and effective results. They also explain all aspects of the program from start to finish. This gives patients the confidence and knowledge they need to effectively shed those unwanted pounds.

Unlike diet centers that only want to sell clients on meal plans, the clinic is designed to help patrons lead healthier lifestyles. This includes nutritional guidance, fitness routines, and regular checkups to help maintain weight loss.

With a highly dedicated team of physicians and weight loss experts, patients can truly achieve their desired results. For those struggling with obesity, the clinic offers true solace and solutions. Why spend countless dollars on fad diets that simply do not produce results?

With free consultations for all services, patients simply have to explain their goals to specialists that are ready to help them. Once their information is secured, the team will formulate strategic plans of action to secure positive and productive results. From medical weight loss Kansas to laser hair removal Overland Park, the clinic is proud to service the Greater Kansas City area.
