Oregon Hot Tub, a 6-store hot tub, swim spa and sauna dealer in Portland Oregon is pleased to announce that it has opened a new showroom conveniently located at 9454 SE 82nd Ave, Portland

Oregon 97222.

“Southeastern Portland is a wonderful part of greater Portland and a section of town that is just perfect for our expansion plans,” said Sue Rogers, CEO of Oregon Hot Tub. “We couldn’t have asked for a better location - conveniently located in the Johnson Creek area on SE 82nd Avenue – between Home Depot and Dick’s Sporting Goods.” The new Oregon Hot Tub Portland Showroom proudly serves Portland, Gresham, Clackamas, Happy Valley, Damascus, Boring, Troutdale, Fairview, Wood Village, Oregon City, Gladstone and Milwaukie.

“Local residents are going to love this store,” said Dave Doornink the company’s director of marketing. “We have gone all out to stock the store with our most up-to-date products including HotSpring Spas, Hydropool Swim Spas, Finnleo traditional or infrared saunas, Big Green Egg grills and smokers and Infinity Massage Chairs.

“Investing in a hot tub, swim spa or sauna is not something that people do every day,” continued Doornink. “Because of that, our sales consultants are trained to determine the unique needs of every prospective client so that they can recommend the best product or service. In addition, we have learned over the years that our buyers expect high quality, a fair price and the convenience of buying locally.”

The new state of the art 2900 square foot showroom features 10 hot tubs, a Hydropool 14FX swim spa, 3 Finnleo Saunas, 3 Big Green Egg smokers and a Massage Chair as well as a variety of hot tub accessories. Oregon Hot Tub truly wants to be Portland’s one-stop-shop for casual leisure living.

“To celebrate the October 1st grand opening and encourage local residents to check out the benefits of using a hot tub, swim spa or sauna to help improve their overall health and well-being, Oregon Hot Tub is offering free hot tub and swim spa test soaks for the entire month. We do recommend however that people wanting to schedule their free 30-minute wet test call us ahead of time to reserve their spot,” said Sue.
