For years, Sherry Gaba, has been one of the most well known addiction recovery expert in media, with an impressive resume including regular appearances on Celebrity Rehab as Dr. Drew's "go to expert", hosting a radio show on CBS and numerous appearances on CNN, HLN, E!News, Showbiz Tonight, The Bio Channel and more.

Not only is Sherry a licensed therapist, LCSW and Certified Recovery Coach, in drug and alcohol addiction, co-dependence and the less recognized addictions such as "love addiction", "sex addiction", "food addiction" and more, she's also a student of "new thought" and "deliberate attraction" science, coining the phrase "Intentional Recovery" which she says is "Life beyond the addiction, purposefully and intuitively creating a life you love."

Sherry continued, "This nine day teleconference summit, which is free to attend, will feature not only the top minds in drug and alcohol addiction but also speakers on topics such deliberate creation and goal setting going way beyond the addiction to aspire to a life you've dreamed of. Nothing quite like this Summit has been done before and I'm sure all those attending will be impacted greatly. "

SOBA Recovery Center, now the largest privately held drug rehab in California, will not only be sponsoring this event, their CEO, Greg Hannley, who is also a nationally recognized addiction expert will be one of the featured interviews Sherry will host.
