STAT+MD offers outstanding services in a warm, family-friendly environment.

STAT+MD Urgent Care adds Aetna to their growing list of accepted insurance providers, making urgent and primary care more accessible to Park City.

(Newswire.net -- January 23, 2016) Park City, UT --STAT+MD Urgent Care is pleased to announce that they are now accepting Aetna insurance as an in-network provider. Aetna has been providing quality health care insurance to their members since 1853. More than 46 million people count on Aetna to help them make important decisions regarding health care and health care spending.

When asked about this new addition, STAT+MD Chief Medical Officer, Jennifer A. Knepper, said, “Aetna’s ongoing dedication to providing outstanding products and services makes them an ideal partner for STAT+MD Urgent Care. Like Aetna, we seek to provide only the best for our patients.”
The best includes: state-of-the-art facilities, a broad range of medical treatments for the entire family, caring and compassionate staff members, skilled physicians, and advanced medical equipment, all in a comfortable, family-friendly environment.
In addition to treating non-life threatening injuries and illnesses, STAT+MD Urgent Care also offers primary care services, focusing on preventative medicine. These services include screenings for a variety of medical issues, like high-blood pressure, elevated cholesterol, diabetes, and more. This preventative care often aids in earlier diagnosis and treatment, and possible prevention of later complications.
For patients that prefer an at-home, or on-the-go consultation, STAT+MD Urgent Care has a 24-hour e-clinic. This service allows patients immediate access to online diagnosis and treatment. Doctors and other caregivers are able to interact virtually with patients either on a mobile device, a web portal, or via telephone.
Next time you need urgent or primary medical care, visit STAT+MD Urgent care. Conveniently located in Park City’s Kimball Junction, across from the Smith’s gas station, STAT+MD Urgent Care is open Monday thru Friday 8AM – 8PM and Saturday and Sunday, 9AM – 5PM.
