Las Vegas Dental Group Continues to Receive Rave Reviews from Happy Patients.

David Nicoll February 02, 2016

Las Vegas Dental Group is now one of the top rated dental service providers in Nevada. Operating since 1973, they have already served over ten thousand patients with an excellent track record.

(Newswire.net -- November 25, 2015) Las Vegas, NEVADA -- Las Vegas Dental Group continues their impressive run as one of Nevada's most trusted dental service providers. Since their inception in 1973, this dental office has offered an exceptional dental experience to more than ten thousand patients. A wide range of dental services are available here including general and family dentistry, cosmetic dentistry, smile makeovers, dental implants, orthodontics, endodontics, teeth whitening, veneers, and much more. Las Vegas Dental Group was recently voted as the recipient of the Patient's Choice Award for 2015.

Las Vegas Dental Group has done well to stand apart from other dental services in this region with their friendly behavior and extraordinary care. The dental experts at LVDG explain all the treatment options available so that their patients can make the most informed decision. All treatment costs are also informed and explained well in advance. All new patients receive a Gift Card worth $100 from Las Vegas Dental Group.

The success of Las Vegas Dental Group can also be attributed to their team of dental experts led by Dr. Nicholas Maffeo. A Doctorate of Dental Medicine from the University of Nevada, Dr. Maffeo focuses on comprehensive and esthetic dentistry for all ages. Some other experts available at Las Vegas Dental Group are Dr. David G Stibor, Dr. Kenneth Tracht, Dr. Mark H Minguey, and many others.

Over the years, LVDG has received highly encouraging reviews from hundreds of their patients. These Las Vegas Dental Group reviews speak volumes about their quality of service. In one of the reviews, the reviewer states, "My anxiety of going to the dentist is officially over, thanks to the entire team at Las Vegas Dental Group! For years I have been putting off some major dental issues for fear that I'll have another nightmare experience. But I knew I was in the right place the instant I walked into the building. From answering my questions, always asking how I am doing, to handcrafting my beautiful new smile... It's a great feeling knowing that I finally found the organization I can trust! I personally recommend this place for all your dental needs. Thank you LVDG!"
