Oregon Hot Tub dealer selling new, used hot tubs, swim spas and saunas dealer receives the Hot Spring 2015 Retail Excellence award for productivity

(Newswire.net -- March 25, 2016) Portland, OR -- Oregon Hot Tub, a 6-store hot tub, swim spa and sauna dealer in Portland, Beaverton, Bend, Wilsonville Oregon and Vancouver, Washington was recently presented with the 2015 Retail Excellence Award by Hot Spring Spas. The award ceremony took place at the 2016 Hot Spring Dealer Conference in San Diego, CA.

“Winning the Retail Excellence Award is a real honor,” said Sue Rogers, CEO of Oregon Hot Tub. “That’s because the entire team at Oregon Hot Tub goes out of their way to ensure that all customers are satisfied. From the sales team to the delivery crew, the experience for the customer is job one, and the staff is empowered to do what’s necessary to get it done,” continued Rogers.

“Not satisfied with “good enough,” a main focus every day at Oregon Hot Tub is on how to educate their customers on all the benefits of hydrotherapy and how easy it is to own a Hot Springs Spa,” said Mike Dunn, Executive Vice President for Watkins Manufacturing, maker of Hot Spring Spas. “Oregon Hot Tub is committed to growing their business – and they have succeeded! But more importantly, they demonstrate exceptional care for their customers.

Adding a hot tub to the backyard to achieve more relaxation and stress-relief any time of the day or night makes a lot of sense. There’s no need to drive to a health club, reserve time at a spa or make sure a facility is open. In addition, consumers can now accessorize their spas with mood lighting, water features or built-in stereo systems, just to name a few.

“Oregon Hot Tub carries only the most innovative and best-in-market products and has a “customer-centric” philosophy. This means that the company provides unparalleled service and expert advice and support before during and after the sale,” said Rogers. “The goal is to always exceed customer expectations in terms of value and service.”

Oregon Hot Tub, founded in 1979 is the #1 selling hot tub company in Portland Oregon. Only the most innovative and best-in-market products are featured at the company’s six convenient locations, website and e-store.

To thank local residents for making this award possible, Oregon Hot Tub will be providing free hot tub and swim spa wet tests for the entire month. They do recommend however that people wanting to schedule their free 30-minute wet test call them ahead of time to reserve their spot.
