

# Superior Appliance Repair Constructs New Facility

Tyler Collins March 30, 2016

**Superior Appliance Repair, based in Brooklyn NY, is constructing a new facility to improve their services.**

([Newswire.net](http://Newswire.net) -- March 30, 2016) Brooklyn, New York -- An appliance repair Brooklyn NY company, Superior Appliance Repair has been building a new facility to provide better service to customers. The facility covers 3600 square feet and will allow for additional

customer service and staffing. It will also offer in house training for technicians on major appliance brands. They will be the only one in the country to offer this.

As the company name says, they provide superior appliance repair service to their customers. Not only do their offer quality service, they offer fast same day service and affordable prices. They provide [major appliance repair service](#) to the Brooklyn NY area as well as Manhattan and all five boroughs.

The company services all types and brands of appliances, such as Whirlpool, GE, Frigidaire, Amana, Bosch, and Maytag. They offer air conditioning repair, washer and dryer repair, dishwasher repair and repair services for refrigerators, freezers, gas ranges, microwaves, and wall ovens. To learn more about the services they offer, visit [www.mrsuperior.com](http://www.mrsuperior.com).

Their repair technicians are professionally trained to service major appliances. They are courteous, skilled professionals that will get the job done in a timely manner. Additionally, the company stocks major appliance parts, allowing for faster repair service.

As part of the company's commitment to offering superior appliance repair services, they offer reasonable rates. Customers do not have to pay extra for appliance service on nights, weekends, or holidays. All of the company's estimates are backed with a low price guarantee so customers can get the lowest prices for their appliance repair.

The company also personally guarantees their appliance repair with a warranty to provide customers with confidence and peace of mind that they are performing their best work. They offer one year warranty on all major appliance parts as well as 30 day warranty on all performed labor. Furthermore, they give a 50 percent discount on any labor performed on a second service call within 30 days from the original repair. They offer preventative maintenance tips as well. Customers may take a look at the FAQ on their website, [www.mrsuperior.com/about/faqs/](http://www.mrsuperior.com/about/faqs/).
