

OC Grout and Tile Offers Springtime Special Pricing

Tyler Collins April 02, 2016

Ron - the Tile, Grout & Carpet Cleaner/OC Grout and Tile has special pricing on several cleaning services this spring season.

(Newswire.net -- April 1, 2016) Rancho Santa Margarita, California -- Spring cleaning season is upon us, and to offer its customers a helping hand, the cleaning experts at Ron – the Tile, Grout & Carpet Cleaner are offering special promotional prices on some of their tile and grout services. Perhaps the most popular special is 50% off ceramic floor tile cleaning, but the company offers several more. The Orange County, California-based company has a special for 50% off tile and [grout cleaning services](#) and a 25% discount on regrouting jobs. “Our specials are always popular,” says Ron Donofrio, owner of the cleaning firm. “It’s important for our customers to book appointments quickly, as our calendar is filling up.” To learn more about the company and its limited-time special pricing, visit <http://ocgroutandtile.com/specials.html>.

To sweeten the deal, Ron and his company promise to beat any competitor’s estimate by 10%. Every tile job includes free grout sealing, helping to ward off stains and discolorations from the freshly-cleaned grout lines. The company has served communities in and around Orange County for 27 years, including cities like Irvine, Newport Beach, San Clemente, and Laguna Hills. Over their time in business, the tile and stone cleaning professionals at the firm have developed a reputation for excellence, handling delicate surfaces with the care they demand. Cleaning jobs frequently require stripping and polishing of the tiled or stone surfaces, and different material types may need special attention. With the experience they have developed over two decades, no hard surface is too difficult to handle. “Our company can do many tile and stone types, including marble, terracotta, travertine, granite, and more,” says Ron. “Ceramic tiles and porcelain are some of our specialties as well.”

The highly-trained and supremely skilled cleaning team has worked throughout the Orange County region, completing cleaning and restoration services with precision and the utmost in professionalism. The company can even color-match damaged stone flooring, helping bring old stone flooring or surfaces back to their original luster. Customers who take advantage of the springtime tile and stone cleaning special pricing can expect to be treated with industry-leading courtesy, giving them the peace of mind that each job will exceed expectations.
