Mark Levy DDS has been awarded with the 2016 Best of Hilliard Award by the Hilliard Award Program for the Dentists category.

([Newswire.net](#) -- May 31, 2016) Flower Mound, TEXAS -- **Mark Levy DDS** has been awarded with the 2016 Best of Hilliard Award by the Hilliard Award Program for the Dentists category.

The Hilliard Award Program seeks out companies and businesses who've achieved extraordinary success each year in their category. These incredible companies make the Hilliard Area a wonderful place to live, work, and play by enhancing the image of small businesses with their service to their community. The Best of Hilliard Award recognizes those who contribute greatly to their field and community to recognize the outstanding businesses while encouraging a sense of community and pride.

Information for the Best of Hilliard Awards is gathered yearly to be reviewed and analyzed in order to select the winner for each category. The prestigious 2016 Hilliard Award Program concentrates on quality rather than quantity. Winners are selected based upon internal information gathered by the Hilliard Award Program in addition to third party information.

The Annual Hilliard Award Program honors both achievements and accomplishments of the local businesses in the Hilliard area. They recognize companies that have proven they have the ability to use implemented programs and best practices in their field in order to generate a long term value for the community. The Annual Hilliard Award Program focuses exclusively on local business owners, trade groups, and other professional associations with the mission to recognize the small business community and their valuable contributions to the economy.

Mark Levy DDS has contributed to his local economy and community through his superior work at his award winning dental practice. He is one of Ohio's foremost dentists. Dr. Levy is an Ohio State University College of Dentistry graduate and has been practicing dentistry for over 30 years, making him an expert in his field. He has furthered his education and experience by attending the Las Vegas Institute for Advanced Dental Studies before being asked to return as a Clinical Instructor. He has had the pleasure of teaching students from across the United States, Australia, Canada, and Europe, advanced modern techniques for comprehensive and esthetic dentistry. Dr. Levy also was asked to return to the Ohio State University College of Dentistry to share his expertise as a Clinical Instructor with the students.

Mark Levy DDS is also one of Ohio's leading experts in regard to providing non-surgical treatment options for temporomandibular joint disorders and sleep apnea. His expertise in this field has helped many members of the community overcome these disorders with grace and dignity. He has even helped to educate others in these fields by lecturing and training dentists on a national level. In addition to helping spread awareness of non-surgical treatment options for TMJ disorders and sleep apnea, he's also contributed on a global scale. He has also lectured internationally and even has partaken in dental missions in Israel to provide care for those who needed it most.

Dr. Levy continues to be a contributing member of his community, state, and nation in his efforts to help those who may be unable to obtain care for themselves while providing excellent service.
