

# Maryland Cosmetic Surgeon Discusses Cosmetic Surgery Options For Men

E-Rock Christopher June 07, 2016

Men and cosmetic surgery

**Cosmetic surgery can be just as beneficial for men as for women, which is why Maryland's premier cosmetic surgeon, Dr. Adam Summers is offering a special for "Dads and Grads"!**

([Newswire.net](#) -- June 6, 2016) Glen Burnie, MD -- While options for men in the cosmetic surgery field are not as well-known as those for women, they can be just as beneficial. Men are often surprised to learn how many procedures are available for them to achieve their goals.

The needs men have for plastic surgery are fairly similar to those for women. At his state-of-the-art facility, [Dr. Summers](#) offers many professional treatments that can help men address [body issues](#) such as sagging skin, high body fat, and scar tissue.

Men can benefit from various cosmetic surgical procedures such as breast reduction, facelift, pectoral augmentation. No matter the procedure, Dr. Summers and his staff provide all their patients with the highest standards of professional cosmetic surgery treatments.

At Maryland Plastic Surgery Pure Medspa & Cosmetic Surgery Center Dr. Summers and his staff understand that a cosmetic surgery may not be for all men. Services offered through the less-invasive Pure Medspa include skin rejuvenation services like botox, [facials](#) and micro-needling, among others and laser treatments like laser Pure body lift and facelifts, laser peels and laser hair removal, among others.

Dr. Summers notes one of the most popular procedures men request is to reduce the lines around the forehead, including lines from furrowing the brow, and crow's feet. Unlike other cosmetic procedures such as a facelift and rhinoplasty, skin rejuvenation services like botox are less invasive and have little to no downtime.

Through the month of June, in honor of Dads and Grads, Maryland Plastic Surgery Pure Medspa & Cosmetic Surgery Center is offering an additional \$50 gift certificate with the purchase of a Father's Day Gift Certificate to the PURE MedSpa. Enjoy the June celebrations together with a special trip to the MedSpa!

For more information, please visit [Maryland Plastic Surgery Pure Medspa & Cosmetic Surgery Center's](#) website. Dr. Summers and his team welcome feedback from customers and visitors alike, and look forward to helping you become the absolute best version of yourself through simply the best cosmetic surgery and medspa services in the mid-Atlantic region.
