

TenList on Locating Bathroom Remodeling Contractors

Tyler Collins August 31, 2016

Remodeling a bathroom can add value to a home.

Industry-leading home improvement directory TenList, Inc. talks about selecting contractors for bathroom remodeling service quotes.

([Newswire.net](#) -- August 31, 2016) Frisco, Texas -- Many homeowners seek ways to improve the functionality and appearance of their homes. One of the best ways to spruce up an

older home is through a bathroom remodeling project. Finding a reputable company for a bathroom remodel contractor quote can be difficult, and that's where TenList, Inc. steps in for help. The Texas-based contractor directory service provides no-charge listings of reputable contractors in cities across the United States, including those who specialize in bathroom remodeling work. Selecting the best contractor for a big home project is no longer as simple as opening up the Yellow Pages and making calls; the company's unique contractor evaluation system ensures quality. "For a large project like a complete bathroom remodel, it is important to find the very best contractor available," says a spokesperson for the directory firm. "Homeowners should get several bathroom remodeling service quotes from contractors in their area." To learn more, visit www.tenlist.com/services/bathroom-remodeling.

Bathroom remodeling projects can run the range from simple fixture replacements to complete tear-outs and rebuilds. Of particular interest to many homeowners is the advances in bathroom technology, adding spa-like features to the master bathroom for increased comfort and style. Features such as mood lighting, in-floor heating systems, and tech-enabled fixtures have become especially popular. Remodeling a bathroom can add significant value to a home as well; industry estimates suggest that many homeowners can recoup the costs of a remodeling project when the home is sold. "Bathroom remodels are not jobs for amateurs," adds the directory company spokesperson. "Reputable contractors have a track record of success, and those are the companies that appear in our directory listings."

TenList, Inc. provides contractor listings for many major home improvement categories, including bathroom and kitchen remodeling, HVAC upgrades, plumbing, painting, and landscaping. By leveraging technology in a proprietary reviewing system, the company strives to offer homeowners the top ten contractors in any given category - giving rise to the company's name. By providing additional features on their website for homeowners, such as questions to ask of a potential contractor and an extensive archive of information resources and DIY videos, the company can help homeowners make smart decisions on improving their homes. For more information on the company and its contractor listing service, visit www.tenlist.com.

About TenList, Inc.

Established to provide customers with listings of the most reputable contractors in their areas, TenList, Inc., has quickly become an industry leader with its carefully-researched listings and business reviews. Using a proprietary reviewing system, the company evaluates contractors and site advertisers, including by interviewing their clients, to ensure that only the best of the best are listed on the company's directory site. The directory firm works hard to maintain the integrity of their contractor selection process in order to give customers the best information available.
