Taking advantage of the ever-growing home improvement industry, Closets by Design have grasped the concept that home owners are looking to add comfort, style and value to their homes. One of the most common upgrades people make is to add better storage, whether it be in their bedrooms, kitchen, laundry, garage or home office.

Long-Standing History in the Closet and Storage Industry

[Closets by Design](#) was established in 1982 and has been successfully franchising for the past 18 years. Over the years, the company have grown to establish a strong name and highly respected reputation within their industry.

“When considering investing in any franchise business, it is important to consider the company’s reputation,” said Derek Cafferata, CEO and President of franchising experts All State Franchise Finders. “Closets by Design are the name that people trust and associate with excellent quality and service.”

Closets by Design Leading the Competition

Ranked in [Entrepreneur Magazine](#)’s Franchise 500 since 2007, Closets by Design are number one in their Home Improvement category. The company also rated in America’s Top 50 New Franchises by Entrepreneur Magazine.

Among other notable awards, Closets by Design have also been awarded a Top 50 Franchise Satisfaction award, Top 100 Up & Comer’s by [Franchise Times](#) and top 550 Remodelling Companies from Remodelling Magazine.

Year after year, Closets by Design consistently rank among the top [franchises](#) in the United States. Not only does the company actively franchise across the country, with 37 franchises in the U.S., but they also actively seek franchisees across the globe. Currently, there are seven international franchise owners building successful businesses with Closets by Design.

All State Franchise Finders Representing Closets by Design

[All State Franchise Finders](#) are the franchising experts who represent more than 250 of the country’s top franchise businesses. With more than 30 years’ experience in the franchising industry, Derek Cafferata and his team works with future franchisees, helping guide them through the, often daunting, process of buying a franchise.

“Closets by Design are an ideal choice for the entrepreneur looking to work as an owner/operator within his or her own business,” said Derek Cafferata. “The franchisee manufactures all products and oversees the installation. The business model is designed to promote high gross margins while maintaining low inventory.”

An established business model with proven sales success, excellent training and on-going support, as well as the benefit of national marketing and advertising campaigns help to ensure franchisee success within this established and highly respected company.
