Luxury Pre-Owned Vehicles

Hillsboro Auto Mart has announced new special sale pricing and financing on many pre-owned luxury brand automobiles in the Tampa Bay Area.

(Newswire.net -- April 15, 2017) Tampa, Florida -- Hillsboro Auto Mart has announced the addition of new sale specials and financing for used car shoppers in the region of Tampa Bay, Florida.

Since 1980, Hillsboro Auto Mart has been serving the greater Tampa Bay area, providing an array of pre-owned vehicles. Their selection includes luxury vehicle brands such as Porsche, Audi, BMW, Acura, Infiniti, Lexus, and Mercedes Benz. Their inventory includes sports cars, convertibles, sedans and SUVs. Over 90% of the vehicles they offer are one-owner or off-lease. Many come with a remaining full factory warranty. The company focuses its attention on bringing exceptional vehicles into their inventory.

The luxury car dealership has recently added an array of special deals and discounts on their website for those searching for a pre-owned car. The current specials include discounted pricing, special financing options, and featured vehicles.

“Customer satisfaction is a priority for our business. We understand that car shopping can be tedious. That is why we are currently offering a wide array of special sale pricing on all our current inventory,” said a representative of Hillsboro Auto Mart. “It is our goal to make the experience as stress-free as possible. We know that for most customers buying a vehicle is a major purchase. Therefore, Hillsboro offers a financing department that features over 65 lenders that we work with. Our goal is to offer customers diversity in rates, terms and payment plans to properly fit a customer’s budget.” They partner with 40 Federal Credit Unions and most local banks. However, they feature national lending institutions as well.

One of the current specials is for military members. Hillsboro has expressed numerous times the importance of military service members. Therefore, they offer special rates and discounts for service men and women shopping for a [luxury pre-owned vehicle](#). For credit applications, veterans or military members currently serving can apply online via a link on the company’s website to receive special financing options. Approval comes typically within one day.

To request a test drive or learn more about any vehicle in their inventory, one can visit the Hillsboro website. The site can also help customers determine the value of their trade-in, or inquire about selling a vehicle to Hillsboro.

The Hillsboro inventory currently stands at 143. Vehicles are offered in a variety of makes, models and price ranges. Although pre-owned, each vehicle is hand selected by the Hillsboro Auto Mart team to ensure pristine condition. A full listing of the vehicles included in their sale can be viewed on the Hillsboro website.
