Abstract Auto & Window Glass in Mission BC

**Popular automotive, residential and commercial glass shop in BC's Fraser Valley earns acclaim from a local publication celebrating their years in business.**

([Newswire.net](http://Newswire.net) -- April 29, 2017) Mission, BC -- Abstract Auto and Window Glass was recently featured in a popular local city news publication. In fact, the Mission auto glass repair company was showcased in Clarity of Vision - via Biz E News - which connects businesses all over the Greater Mission area. From automotive

windshields to home windows, the company has over 42 years of extensive industry experience. While Dave and Sheryl Mitchell, owners, had a "clear vision" on how best to service the community decades ago, the second generation of Mitchells has taken the reigns and is continuing to provide Mission & Abbotsford with the best in glass repairs, installations and services.

With strong work ethics, Nathan and Nicole Mitchell (siblings) provide glass repairs and services for area homes, businesses and vehicles. With a dedicated staff, the team works with ICBC and the insurance industry to secure smooth transitions from accidents to repairs. From energy efficient products to reflective surfaces, [Abstract Auto & Window Glass](http://www.abstractglassmission.com) always stays abreast of the latest industry developments and trends. This enables them to offer cost-effective glass services for all projects, repairs, and much more.

With deep roots in the community, Abstract is committed to excellence in all automotive, residential and commercial services. With a strong eye for detail, they have and continue to feature top-notch glass repairs and installations for automobile owners. This includes chip repairs, [windshield](#) repairs, windshield replacements, sun roofs, side mirrors and door glass installs. Whether for cars, trucks, or even motorcycles, they have the tools and expertise to get the job done right. No project or repair job is ever too big or small, and they are fully certified and insured to handle all glass services.

The local news feature only cements the fact that Abstract Auto & Window Glass is a reputable and respected company. With seasoned experts and a staff that treats one and all like family - they continue to receive stellar industry ratings and customer reviews. Whether needing home renovation [windows](#), commercial window installations, or even tub and shower doors - this unique company does it all. They also offer complimentary consultations and service/repair quotes for all new and existing customers.

As a family business with true customer service, their personalized services are second to none.
