Las Vegas Recovery Medical Director

Las Vegas Recovery Center Welcomes New Medical Director to our Drug and Alcohol Rehabilitation Center.

([Newswire.net](#) -- March 22, 2018) Las Vegas, NV -- The [Las Vegas Recovery Center \(LVRC\)](#) is pleased to announce the recent appointment of Harry Duran, MD, MPH, PhD as LVRC's Medical Director.

"Dr. Duran brings a wealth of knowledge and experience that will contribute greatly to our mission to provide clinical excellence and treatment for those suffering from chronic pain and substance use disorders," said LVRC CEO,

George Gatski.

Formerly Dr. Duran served as the site medical director for NaphCare's clinical services in Las Vegas, NV and was the County Health Officer for Elko County, NV. His expertise also includes correctional medicine, HIV care, public health surveillance, disease investigations, and biostatistics.

Dr. Duran earned his MD from Brown University Medical School and is board-certified in Occupational and Environmental Medicine and in the Addiction Medicine sub-specialty of the American Board of Preventive Medicine. He also holds a PhD in Pharmacology from the Ohio State University and a Master of Public Health from the University of Texas Health Sciences Center.

"It is gratifying to know that I am a part of such devoted team here at LVRC," said Dr. Duran. "It is also a real pleasure to pursue work that will benefit the lives of those seeking recovery."

About Las Vegas Recovery Center

Las Vegas Recovery Center (LVRC), Central Recovery's flagship inpatient treatment center, is world-renowned for its opioid-free, inpatient chronic pain treatment program and a complete continuum of addiction treatment programs. Since 2003, the experienced and compassionate staff at LVRC has helped thousands of individuals, families, and concerned others discover recovery through innovative and evidence-based treatments for addiction and chronic pain.
