Aventa Senior Care is a care organization founded by a veteran firefighter in the Greater Phoenix area in 2010. Aventa has a wealth of experience in the care required by seniors in their homes, which drove a desire to create a unique senior care organization, based on the experience of expert senior care nurses with a passion for providing excellence in care.

The unique approach that Aventa Senior Care uses ensures that an experienced senior care nurse works closely with each and every client. From developing an initial plan of care to training and managing caregivers, clients can enjoy regular contact and attention from friendly nurses. With this unique structure, Aventa ensures that every client receives the best care possible.

Aventa Senior Care is unique amongst the home care industry for a variety of reasons. For instance, Aventa hires only experienced and compassionate caregivers and nurses to ensure the best care possible for their clients. Another factor is that Aventa utilizes care performance measurements to track how clients are responding to the care and what aspects of the care plan need to be adjusted. These factors, as well as ensuring all caregivers receive ongoing training, helps Aventa ensure the best possible care can be given.
