

Portland Oregon Pain Relief Naturopathic IV and Ozone Therapies Announced

WILLIAMS JONES August 28, 2018

When dealing with pain and chronic pain, it's important to seek optimal health with a doctor who is passionate about resolving the cause of the condition, rather than treating symptoms.

A leading Portland, Oregon based pain elimination doctor has announced he can help local patients with expert naturopath services. His mission is to eliminate pain rather than manage it.

([Newswire.net](#) -- August 28, 2018) -- Portland, Oregon based naturopath, Dr David Palacios, has announced he can provide cutting edge therapies for the elimination of pain for local patients. His services involve the combination of injections and IV therapies using ozone, and his philosophy is to focus not on managing pain but eliminating it.

More information can be found at: <https://DrDavidPDX.com>.

The site explains that anyone in Portland, Oregon, needing fast and effective pain elimination can get in touch for expert services. Dr David can be contacted on (503) 334-2312.

One of the messages behind his services is that patients are not defined by their symptoms. When dealing with pain and chronic pain, it's important to seek optimal health with a doctor who is passionate about resolving the cause of the condition, rather than treating symptoms.

Dr David focuses on natural, holistic treatments that can be offered for a range of diseases or conditions. A full list of options is available on Dr David's website.

These include sports injuries and pain like back pain, knee pain, shoulder pain, rotator cuff injuries, tennis elbow, or fibromyalgia. Patients can also get help with neurological issues like anxiety, depression, migraines and more.

High blood pressure, cholesterol, strokes, heart failure and asthma can also be the focus of his expert treatment plans, along with ulcers, chronic nausea, and a wide range of other conditions.

The Portland, Oregon pain elimination expert offers Ozone IV Therapy, Prolozone Therapy, and Neural Therapy services for patients in the local area. He provides holistic care based on the six principles of naturopathy.

These are to do no harm, support the healing power of the body, treat the cause versus the symptoms, heal the whole person, to educate, and to emphasize prevention of disease.

Dr David states, "I'm a board-certified Naturopathic Physician specializing in acute and chronic pain resolution with natural therapies. I also have a passion for taking care of families in a holistic primary care setting."
