Elle Jane October 29, 2018

The Perfect Home Care prides itself on its high quality service, from 24/7 live-in care to going on walks with clients, shopping and medication reminders.

**A leading Westchester County, NY based home care specialist has expanded its team and services. The Perfect Home Care prides itself on its high quality service.**

([Newswire.net](http://www.newswire.net) -- October 29, 2018) -- The Perfect Home Care, the Tarrytown, New York based elderly and senior care and home care specialists, have expanded their team due to high demand. The agency is adding jobs and expanding home care services in White Plains, NY and throughout Westchester County.

More information can be found at: <https://www.theperfecthomecare.com>.

The company explains that The Perfect Home Care aims to provide clients with loving care and assistance to make every aspect of their life easier. Most services are in-home, with options including 24-hour live-in care or hourly care.

One of the benefits of getting in touch with The Perfect Home Care is that live-in fees are less expensive than fees in assisted living facilities or nursing homes. This allows families around Westchester County to get premium care at a more affordable price.

The caring and dependable team at The Perfect Home Care can also provide services to individuals residing in assisted living facilities or nursing homes. Clientele range from seniors in need of assistance throughout their home through to those recovering from surgery, new mothers, and more.

A wide range of services is provided, including socialization, friendship and support for clients, grooming, dressing, and bathing assistance, and medication reminders. Patients can also benefit from going on walks with assistance, light housework services, shopping, and slip, trip or fall prevention.

The team states, "At The Perfect Home Care, we specialize in companion care aimed at creating a comfortable, loving and stimulating environment for our clients."

They add, "Like our competitors, we offer non-medical services, such as light housekeeping, meal preparation, grocery shopping, and reminders to take medication. Unlike our competitors, we bring a level of perfection to every task, no matter how simple."

The Perfect Home Care can customize assignments on a case by case basis, helping to ensure that everyone they work with gets the help they need in the way they need it.

Now, with the expanded team and home care services in White Plains, NY, more people in need of assistance, shopping, home care and more can get in touch. Contact details are provided at the URL above. The agency can also be reached at (917) 399-5578.
