One review from a customer says, "Michael Nash did a complete remodeling of our kitchen and downstairs bathroom. The project was done in a timely manner and the workmanship was second to none. They are a very professional company with excellent attention to detail. Our new kitchen is absolutely beautiful. I give Michael Nash a 5 star very customer friendly and committed to customer satisfaction."

Michael Nash Design, Build & Homes has been providing kitchen remodeling services in the market for more than 25 years now. They compete against notable businesses in Fairfax and have been able to make such a strong impression on the market. The company, in fact, is never out of the game because they only provide quality [kitchen remodel](#).

Sonny Nazemian, Founder/CEO of Michael Nash Design, Build & Homes Fairfax VA, spoke about its recent recognition, expanding on some of the decisions and motivations that led the business to its current level.

"When Michael Nash Design, Build & Homes was founded, it was made clear that we wanted to be perceived as a reputable company who values clients' ultimate comfort with their newly remodeled kitchens. One of the biggest challenges we faced was the changing lifestyle of people in a manner of individualism and as a family. Fortunately, with some good people behind us, and the unwavering dedication to help families fulfill their dream kitchen is what helped the company overcome these obstacles."

Sonny Nazemian also mentioned Michael Nash Design, Build & Homes' future plans which involve not stopping to innovate and then enhance their building and design approach. The company is committed to always go beyond the expectations of their clients and deliver the best results.

Michael Nash Design, Build & Homes plans to maintain its position at the forefront of providing outstanding kitchen remodel in Fairfax, VA. For years to come, they will continue to build on their success by finding new ways to serve the community and the customers.
