Whether having a BBQ around the marble-topped counters inside one's hardscape, hanging on the deck, or swimming in the pool, outdoor living is a necessity in the Dallas Fortworth Metroplex area. In the recent years, hardscaping materials have evolved a lot, with numerous combinations of stone shapes, types, textures and colors becoming possible.

Giovanni Designs' exterior hardscape contractors can help clients make a modern, personalized installation for their unique needs and help them revive their Dallas's outdoor living spaces with a custom retaining wall, paver patio, or any other stone feature they prefer.

The expert team use cutting-edge technology to ensure that each design is as smart and beautiful as possible. Their hardscaping services include design and 3D imaging, outdoor kitchens, retaining walls, masonry projects, patio cleaning and restoration, fireplaces and fire pits, boulder walls, permeable pavers, stone veneer, patios, pool decks, driveways and walkways.

Giovanni Designs' methods fully incorporate the client into the design process so that the final result fulfils each person's original vision. Their professional contractors have the expertise their clients need to create a hardscape that they and their family are sure to love for many years to come.

A spokesperson for the company said, "With superior craftsmanship and a design process tailored to your home, our remodeling and renovate rooms and exteriors stand the test of time. With 31 years of design and build out management, our home Dallas Fort Worth remodeling company offers a completely turnkey experience."
